## Class R visit to Thorp Perrow

Class R had a fantastic day at Thorp Perrow. Slightly too early for the daffodils but just right for a muddy walk through the trees, plenty of snack stops with stories and art projects. We were excited by our encounters with owls, meerkats, goats and wallabies. The little joey was peeping out of its mother’s pouch! There were plenty of opportunities to explore, run and climb, finishing off in the play park. The children were brilliant as always and a credit to us all.

## Year 3 visit to Ryedale Folk Museum

This week Class Three journeyed through time. We began our day with a visit to the 'Stonehenge of the North' a Bronze Age ancient ritual site known as Thornborough Henges. The children were amazed to discover they were walking where Bronze Age people would have walked 5000 years ago. We used our historical enquiry skills to pose questions about why the site was significant and why it was created.

Next, we visited Ryedale Folk Museum, where they have an Iron Age round house to explore. We learnt about what life would have been like during the period and even had a go at weaving.

The trip has helped us see how life changed from the Stone Age to the Iron Age and draw our exciting topic to a close.

## Year 1 visit to Monk Park Farm

Year 1 had a great day at Monk Park Farm - they got very muddy, but loved every minute.

They had the opportunity to:

- Handle and pet guinea pigs, chicks and rabbits
- Bottle feed the new lambs
- Cuddle piglets (everyone's favourite part)
- Feed goats
- Play in the huge park
- Meet the other animals on the farm including horses, peacocks, ducks, wallabies and deer
- Go on the barrel ride.

Thank you to FOS for their financial assistance towards this trip and to our parent helpers who attended on the day.

## Yrs 5/6 Netball

Our Yrs 5/6 Netball Team had a very successful afternoon of competition last week. They won 5 games out of 7 to come 2nd overall. They worked well as a team and their behavior and attitude towards their opponents was exemplary. They were boosted by enthusiastic support from the sidelines from former Carlton Miniott pupils!!

## Easter Competition

Thank you to all who supported your child with the Easter Competition. We had lots of lovely hats entered and were able to give out 2 prizes to each class.

## School Assembly with Jasmine Harrison

We enjoyed finishing the term with an inspiring talk from local sports woman Jasmine Harrison. Jasmine talked to us about her solo Atlantic row, her swim from Lands End to John O'Groats and her planned sailing challenges. Thank you, Jasmine!

## Staffing

As you will be aware Mrs Preston will be leaving school in the near future. We have appointed a new teacher called Miss Cooke, who will start in September. At the end of April Mrs Preston will reduce her hours to two days a week and Mrs Wilford, who teaches on a Friday, will teach Year 1 on a Wednesday, Thursday and Friday.

## FOS News

Huge thanks to everyone who has supported our activities over the last term. We couldn't run fun events for the children or provide extra money towards their learning without the help of our amazing volunteers or brilliant parents and carers.

Thanks also to those who bought/sold tickets for our Easter Raffle and to the wonderful local businesses which donated prizes. You can check out the draw on our facebook page from this evening. Good Luck!
